

March 15, 2020

Dear Friends,

As you know, we at Unity of Bandon, have been closely monitoring information regarding the COVID-19 virus and holding this situation in deep prayer. This afternoon, our Board met and made the decision to suspend all activities, services, and gatherings starting at 1 PM on March 16 and continuing through March 30, at which time we will reassess the situation.

I will be livestreaming an abbreviated **Sunday service at 11:00 AM on March 22 and 29** via **Facebook Live**. Everything worked great during our trial run this morning; in fact, we were able to connect with some dear Unity friends who no longer live in this area. You do not need a Facebook account to watch. At the regularly scheduled time, simply go to:

<https://www.facebook.com/UnityBandon/>

The video will be available to watch later in the afternoon as well.

We will be using **Zoom** to meet for our **Wednesday meditations at 11 AM** On March 18 & March 25. To join these Zoom meetings, copy and paste this URL in your browser: <https://zoom.us/j/218649145> This platform is incredibly easy to use!

We will also be using **Zoom** for our final **Wholehearted Living Class** at 9:30 AM on Sunday March 22 and I will be sending out that URL later.

Please note, we do now have a **Donate** button on our website (www.unityofbandon.org) so you may share your tithes and love offerings electronically via credit card or Paypal: Checks can be mailed to: Unity of Bandon, PO Box 518, Bandon, OR 97411. Regardless of our staying open or not, our expenses do continue. We so appreciate your continued support! We will also post updated information on our webpage.

What you can do:

-Upload Zoom to your phone or computer. This free program allows us to be together in a way that we can see and talk with one another without physical proximity.

-Watch your email and the Unity of Bandon Facebook page for updates and opportunities. **Join us for Sunday services via Facebook.**

-Reach out to one another via phone and email and stay connected in that way. Just a quick check-in can mean a lot, especially for so many of our family

that live alone. A Prayer Chaplain or Care Team member will be in contact with our local congregants at some point during this next week.

-Take good care of yourself and others!

-Continue to be calm and centered. Breathe! If you need support, reach out.

As we continue to observe health matters affecting our world, our prayers surround those who are ill, those treating the sick, and those who may be feeling fearful or unsafe. Remember, wherever we are, God is and *all is well*.

With love and blessings to all,

Reverend Robin
